

**COLORADO DEPARTMENT OF TRANSPORTATION
PRE-AWARD BID REVIEW**

Project	Project code #	Bid letting #
Location	Bidder	

The Engineering Estimates and Market Analysis office has completed an unbalanced bid analysis for this project and reports the following findings:

- No apparent unbalancing that would be detrimental to CDOT is detected and no further review by the Chief Engineer's office regarding unbalancing issues is necessary.
- Factors have been identified below which warrant the Chief Engineer's further review.
